S I R :

Please amend the above-identified application by deleting therefrom the first paragraph as originally filed, Page 1, lines 3-10, and substituting therefor, after the prior amendment made upon filing on June 5, 1995, the following --This application is also a division and continuation-in-part of Application 08/312,881, filed September 27, 1994.--.

REMARKS

The foregoing amendment is made in order to assure continuity of this application, including continuity of inventorship with at least one common inventor, to the original parent of this application, in order to assure entitlement of
